ORIGIN / NOTES

Dr. Katoolu aka Conner Tuttle was a small-time, down-on-his-luck con-man on the run from the law when he first met Tentaclyde. In exchange for stealing some needed items and helping him learn Earth culture, Tuttle received protection. Conner Tuttle quickly became a true believer in Tentaclyde's diabolical plans, and happily agreed to become transformed with alien DNA.

Now as Dr. Katoolu, he professes himself as Tentaclyde's disciple, proudly serving as his henchman.

Having been the one who instructed Tentaclyde about human perceptions and fears of alien abduction and tentacles in general, Dr. Katoolu relishes the opportunity to exploit his knowledge at his captive's expense.
