B. What to do after installation of this new version 2.11 Build 0:

1. Re-register each of your payroll database at **File | Register Payroll** Database before moving on with payroll processing.
** Note: If you do not re-register with the new license code, you will not able to create payroll.*

C. Minor changes:

1. Scope of income tax relief on medical treatment expenses be expanded to cover the cost of fertility treatment for the taxpayer or the spouse. However, the amount of tax relief is still the same, RM6000.
