

Announcement 2

GST 6% → 0% AutoCount Accounting Guide

Benefits of Upgrading to Version 1.9

In view of overwhelming response and support from AutoCount users all over the country, the Management of AutoCount Sdn Bhd has decided to expand the benefits of upgrading AutoCount Accounting to version 1.9.

Benefits:

With valid permanent license of version 1.9, it covers the following privileges:

1. Version 1.9 unlimited future updates for FREE;
2. Item (1) is for new releases related to new features, improvements, and bugs fixes of:
 - a. Goods and Services Tax (GST)
 - b. Sales and Services Tax (SST)

But does not include;

- a. Adding user's license, module, plug-in and customization.
- b. Upgrading software edition.
- c. Service, support and training fee on performing update.

Fee of Upgrade to version 1.9

Fee table of version 1.9 license key announced in *GST 6% → 0% AutoCount Accounting Guide:*

General Announcement To AutoCount Users is:

- only applicable to cases of upgrading from version 1.8 to version 1.9; for cases of upgrading from version earlier than 1.8 additional charges may apply;
- an offer valid for limited time until further announcement; those who choose to upgrade to version 1.9 at later timing may need to pay a higher fee.
- Fee of v1.9 License Key (refer to General Announcement dated 23 May 2018 for details)
**RM 100.00 ~ RM 200.00 per Product ID (Service charge will incur for user who didn't sign up maintenance)*
- waived (fee of 1.9 licence key) for new purchase on or after 14 May 2018

Auto Count Sdn Bhd
