

Release Note CP 1.0.36

Enhancement

1. Enhance add employee's user account instantly, after send invitation to the employee.
2. Enhance to display the same word: 'quantity' in adhoc payroll items - overtime screen & its report.
3. Add new field – final approved date in claim request & claim type transaction listing report.
4. Enhance outstanding loan report for below:
 - (a) rename 'no. of outstanding repayment' to 'repayment months'
 - (b) add a new filter option: show outstanding loan details option.
5. Enhance UOB EPF footer hash file info. It changes to sum up the employee's EPF membership number in details record.
6. Provide option to user in claim report – able to set duplicate claim type.
7. Re-design add new subscription button in screen.

Bug

1. Fixed the employee maintenance - change user's email become empty issue. After save & refresh the page, there is no email display.
2. Fixed the race selection listing issue. After user upload excel import employee file & trying to edit it, there is appearing 'no data to display'.
3. Fixed the ESS payslip - accumulative value incorrect issue. This is affected if user use the excel import YTD PRTrans file to upload.
4. Fixed approver not able to view all claim info in web browser. For example, 3 claim types with 10 records, he/she able to view certain info (such as first 4 records) only.
5. Fixed employee still able to submit the claim even the payroll process is created.
6. Improve the leave application checking if set limits as 'Limited without Advance Leave'.
7. Fixed sequence colour half day (AM/PM) Rest Day indicator in Shift Schedule screen, it must be same as the Calendar setting.
8. Fixed some of the rest day missing issue, if user first step set for rest day, then second step set for public holiday.
9. Fixed wrong outstanding amount display in Monthly Loan Repayment report issue.
10. Fixed missing outstanding details info in Outstanding Loan Listing report issue.
11. Fixed month end payroll process - bonus description didn't display in B6 payslip issue.
