

Release Note CP 1.0.3

New Features

1. Release Note Portal

A release note is a brief explanation of new features in the system since the last system update. Now user can direct access from the system.

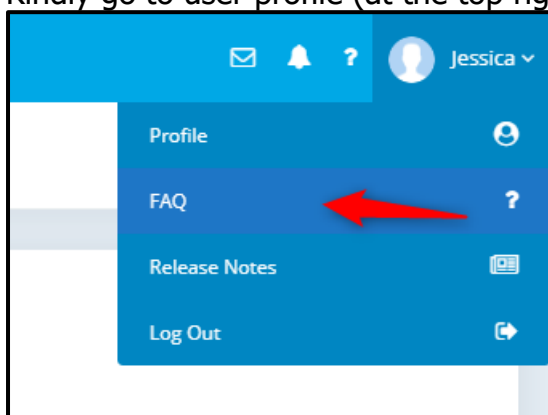

Kindly go to user profile (at the top right corner) > Release Notes.

2. FAQ Portal

A new portal in the system to keep and view frequently ask question (FAQ) about AutoCount Cloud Payroll.

Kindly go to user profile (at the top right corner) > FAQ.

3. (Leave Module) Earn Leave

A new leave entitlement calculation method. Now there are total 6 methods for user to choose. For the details on each method calculation, kindly refer to the help file uploaded later.

Kindly go to Tools > General Maintenance > Leave Type

4. (E-Leave/E-Claim) Approval setting by Chart

A new approval setting method in the system. Users are able to set the approval by department or by chart (Approval By Hierarchy). With this new method, users can easily perform the approval setting by just drag and drop.

Kindly go to Tools > User Setting > Approval Setting

5. (Report) Instant EA for resigned employees

Instant EA Form is provided for those resigned employees, instead of waiting till year end closing. Users can now print the EA Form instantly after the employee have resigned.

3.1 Kindly go to Employee Maintenance > Employment Details > Employment Info and as per cursor showed.

3.2 Kindly go to Reports > Government Report > Income-Tax Report > EA.

6. (Payroll) EIS borne by employer

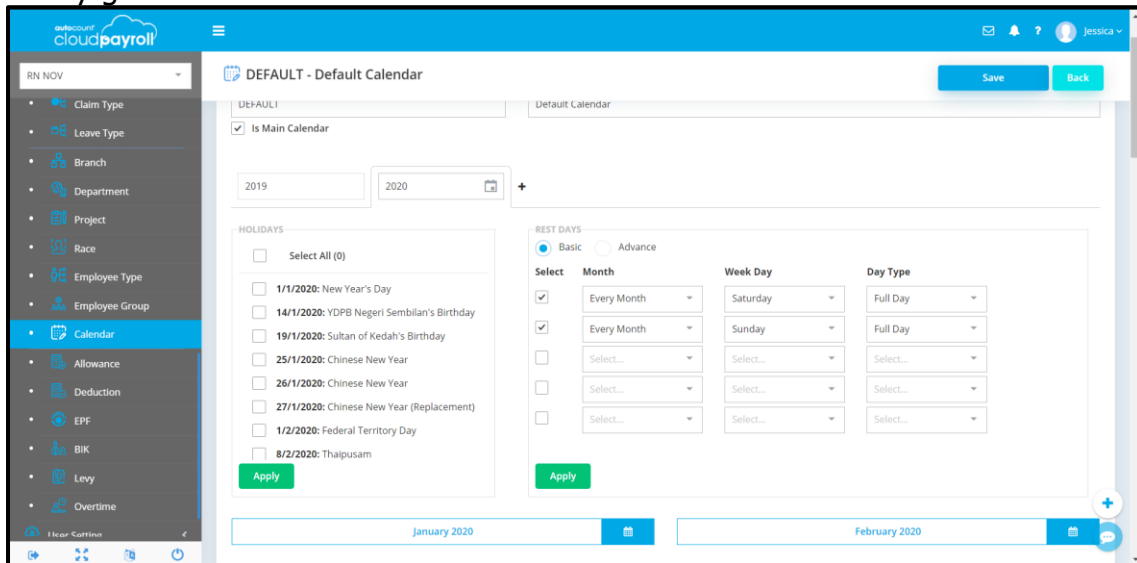

Employers are now able to separate the SOCSO and EIS amount borne for employee.

Kindly go to Employee Maintenance > Statutory Requirement and under SOCSO category.

7. (Calendar) 2020 calendar

Public holiday list for year 2020 is now available in the calendar setting.

Kindly go to Tools > General Maintenance > Calendar

8. Global Search bar

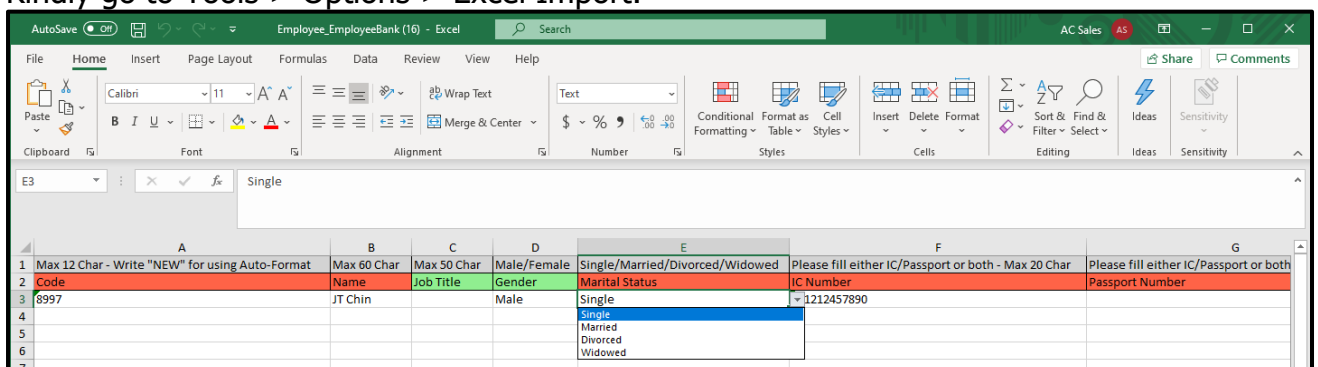

There is a new search bar on the top of menu to ease user to look for the settings base on keywords typed in.

9. (Excel Import) New template behaviour

Now with the new format of the excel import templates, users are able to select the data available in the system and auto create the record if the record that entered doesn't exist in the general maintenance, e.g. Department.

Kindly go to Tools > Options > Excel Import.

10. (Report) Leave Details Report

A new report has added in the system to provide a full detail of every Leave Type.

Kindly go to Reports > Management Report > Leave Report.
