

**Release Note CP 1.0.51**

**Enhancement**

1. CP8D 2023 version is available now for download.
2. Added 3 new fields (for CP 8D purpose) under Employee Maintenance > Employment Detail – Employee Status, End of Contract and Retirement Date.

The screenshot shows a form for Employee Maintenance. The fields are arranged in a grid:

- Project (dropdown)
- Branch (dropdown)
- Working Permit Expiry Date (text)
- Join Date \* (text, value: 27/07/2022)
- Confirm Date (text)
- Resign Date (text)
- Employee Status (dropdown, value: Management of the organization)
- End Of Contract (text)
- Retirement Date (text)

The new fields (Employee Status, End Of Contract, and Retirement Date) are highlighted with a red box. There is also a checkbox for "Generate Instant EA".

\*Kindly maintain the fields for CP8D submission purpose.

3. Added New Language Option > Malay.  
Go to Language > Preferred Language > Malay

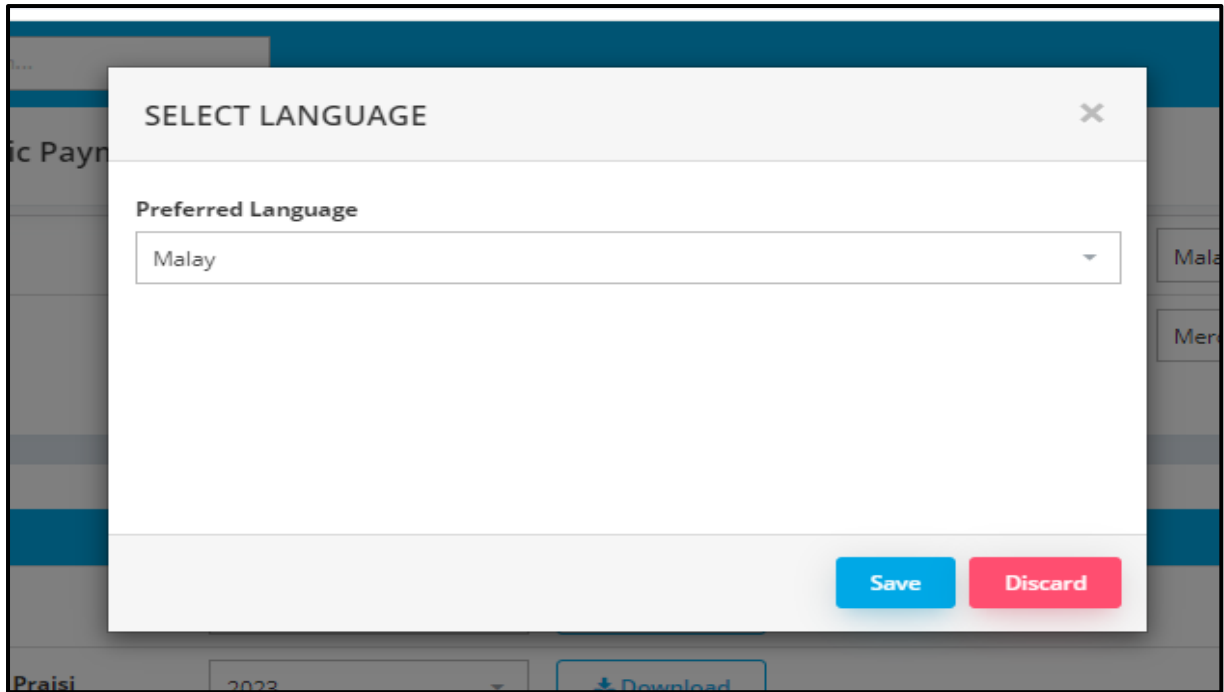

The screenshot shows the AutoCount CloudPayroll dashboard. The left sidebar contains navigation options: Dashboard, My Calendar, Payroll, Reports, Human Resource, Tools, Administration, and Integration. The main content area is titled "Electronic Payment" and contains several download links:

- LHDN CP39 (Download)
- LHDN (Income Tax) (Malayan Banking Berhad -... (Download)
- SOCSSO + EIS (Download)
- Employee Payment (Merchantrade Asia Sdn Bh... (Download)

Below this is a section for "Yearly Government Files":

- LHDN CP8D (2023) (Download)
- LHDN E-Data Praisi (2023) (Download)
- LHDN Audit Files (2024) (Download)

A red arrow points to the bottom navigation bar, which includes a Help icon.

4. New Overtime Report > Overtime Pay Details.  
Go to Report > Payroll Report > Overtime Pay Details

payroll.autocountcloud.com/Report/Report
