20	BEYOND	31-70		1D12+25	50+	100+	100 trillion years	16 quintillion tons	200k light years	335,308,315 MPH / 93141 mps	87600x (TO: Quantum Drive)	32 sextillion	Q, GOD OR GODDESS

* Measured in multiples of the speed of light. The Speed of light is 670,616,629mph. Also benchmarked in Star Trek's warp factor, Star Wars Hyperspace and the Orville's Quantum Drive.

**Money to Wealth Conversion: Money level is your daily earnings, then multiplied by the days work. So Wealth Level 4, would make \$1500 per Week or \$78k per year.

Anything Below Green is a realistic campaign. Most DnD characters, PSI World, Call of Cthulu. TV shows like Knight Rider or Star Trek.

Anything Below Blue is a Low Superhuman or supernatural campaign setting. World of Darkness. TV Shows like Buffy the Vampire Slayer.

Anything below Purple is a super hero / comic book setting campaign setting. Most DC and Marvel Comic Books. The X-men Movies.

Anything Below Orange is a high power level comic book setting. Comic Books like Superman or Hulk. Most of the MCU films.

Anything Below Red is a very high, cosmic level setting. Comic Books like Captain Marvel or the Silver Surfer. A few characters in the MCU like Ego, Captain Marvel or Thanos.
