QUALITIES

HERO OF THREE WORLDS

ILDANNACH, MASTER OF SKILLS

LORD OF LIGHT

In the endless war between the Tuatha de Dannan and the Fomorians, a child was born of the union of Cian of the Tuatha and Ethniu of Fomor, daughter of the dream Balor himself. The child was meant to be heir to both worlds, a force to unite his people. Some could not permit that, and Cian and Ethniu perished in a terrible explosion. Their child was believed lost as well, but Lugh survived, protected by his mentor Mannanan Mac Lir, and eventually claimed his heritage as Lord of Light and Ildannach, Master of Skills known to the Tuatha. He proudly serves the people of his adopted home Eiru (Earth) as their champion.
