QUALITIES

- Catchphrase: "They all laughed at Professor Unger, but not the TERRIBLE TERROR-PIN!"
- Motivation: Revenge on more successful scientists and institutions.

CHALLENGES

- Weakness: Terror-Pin powers and physical abilities are dependent on his shell, without it he has no powers and Prowess and Coordination 2. In truth, his powers are innate, but he doesn't know that (yet...).

* Terror-Pin is a villain – they don't have Determination. That's a hero thing. — Steve
