AGENDA

1. Information Audit
   a. Presented by Ferran Tufan on behalf of Site Reliability Engineering.
   b. Discuss and compare it with General Data Protection Regulation, evaluating if we’re collecting unnecessary information or storing data for unnecessary periods.

2. Financial Review (December – February)
   a. “Directors resolve that; the financial review is an accurate summary of Miraheze Limited’s financial situation and should be published for public viewing with the minutes.”

3. Discuss Terms of Reference for Appointed Directors

4. NordVPN Proposal

5. Future Fundraising Activities

6. Maintaining Volunteer Welfare

7. Legal Policy Changes
   a. “Directors resolve that; with immediate effect, line ‘Posting illegal content or Harassment on a Wiki; or’ is removed from Section 8 of the Terms of Use.” [Rationale provided is other parts of Section 8 sufficiently cover this and the presence of this line causes confusion and inconsistency in enforcement action.]
   b. “Directors resolve that; at the discretion of the Director of Site Reliability Engineering, the legal compliance of Dutch (Netherlands) and European Union law (excluding United Kingdom adaptations) may be removed from all legal policies once there is no longer a requirement to abide by these laws.”

Minutes

Minutes will be written up by the Director’s Secretary and distributed to the Directors as soon as possible (but within 48 hours of the meeting). From the point of distribution, Directors’ will have 48 hours to respond with comments regarding the minutes. If no concerns are raised within 48 hours, or all Directors electronically confirm the minutes are representative of the meeting, the Secretary is authorised to distribute the minutes beyond the Directors.
